# PIEMONTE MIO

BESPOKE WINE & FOOD TOUR

Dates to be confirmed - November 2026

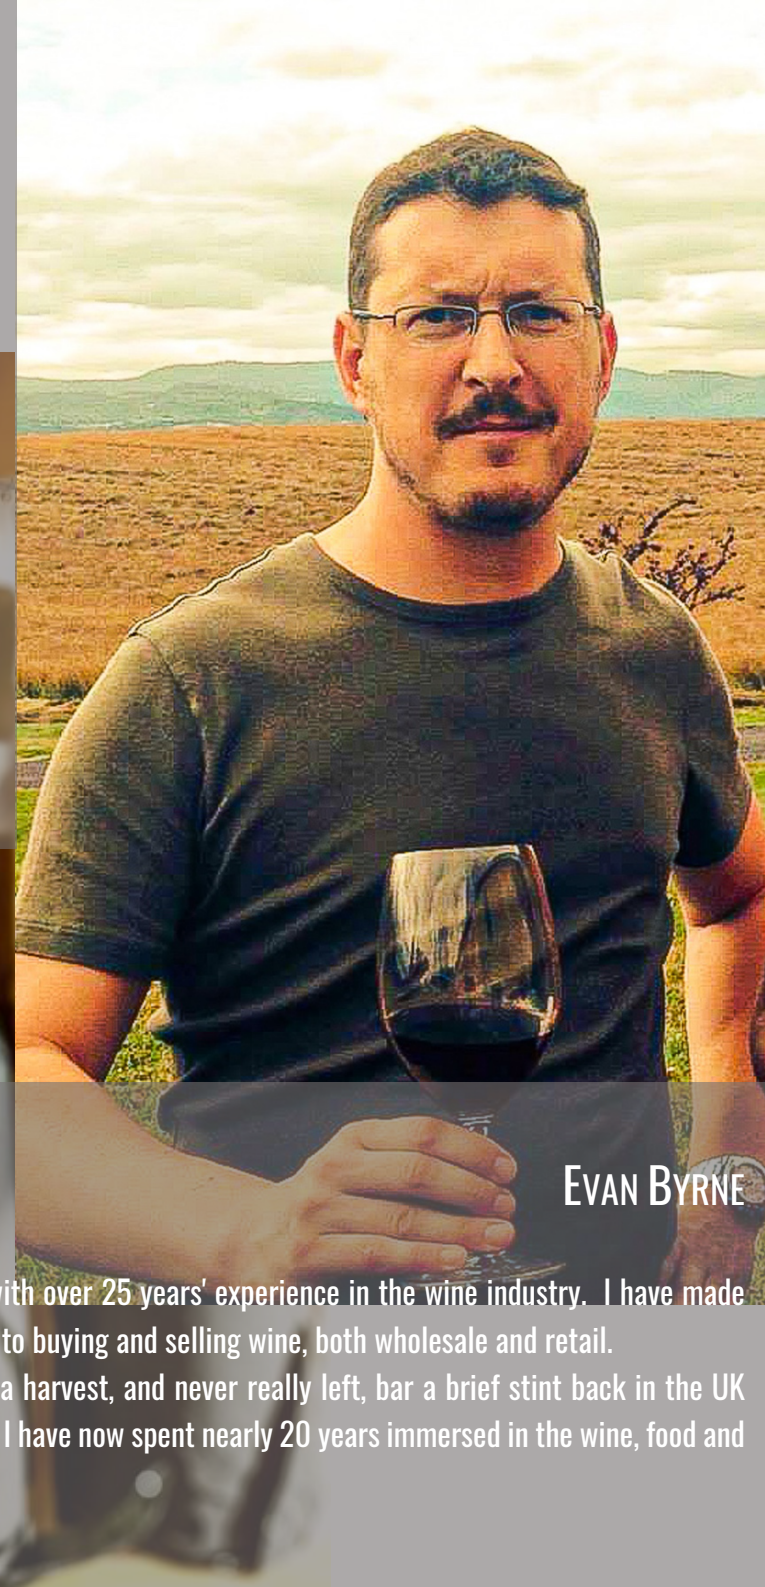

## INTRODUCTION

Nowhere in Italy can offer as much as Piemonte when it comes to what's on your plate and in your glass. The wines are the most interesting in the land and the cuisine, courtesy of the Savoyard Empire, is a sublime blend of French and Italian. The wines are easily accessible, the food wonderfully seasonal and crowned with the glorious White Truffle.

The aim of this tour is to give you an insight into the wines and food of Piemonte at the same time as allowing you to savour your experiences and soak up all the region has to offer – you're on holiday, after all, so you should be able to relax and have fun.

We will visit wine producers in the world-famous, UNESCO-recognised regions around Alba, each of them passionate about the region, its culture and cuisine. We will also visit the International Alba White Truffle Fair – the largest and most important of its kind in the world.

I will show you the region as the locals experience it, rather than as tourists: taking you to places others do not know about.

EVAN BYRNE

I am a Piemonte-based wine expert, with over 25 years' experience in the wine industry. I have made wine in Australia and Italy, in addition to buying and selling wine, both wholesale and retail. In 2001, I came to Piemonte to work a harvest, and never really left, bar a brief stint back in the UK where I worked at Berry Bros & Rudd. I have now spent nearly 20 years immersed in the wine, food and hospitality culture of the region.
