# Introduction

This specification contains necessary information for both candidates and Approved Programme Providers (APPs) about the WSET Level 1 Award in Wines.

The main part of the document is a detailed statement of the learning outcomes for the Level 1 Award in Wines. These outcomes should be used by APPs to prepare programmes of learning, and by candidates to plan their studies, because the examination is specifically set to test these outcomes.

The specification also provides a list of recommended tasting samples, guidance concerning the examination (including syllabus weighting), sample examination questions and the examination regulations.

At the end of this document you will find information on the other WSET qualifications and WSET's qualification division, WSET Awards.

# Introduction to the WSET Level 1 Award in Wines

## Qualification Aims

The WSET Level 1 Award in Wines is intended for people who have little or no prior knowledge of wines. It is designed to provide a sound but simple introduction to wines. The qualification will assist those who need a basic familiarity with the main types and styles of wines, for example people who work with wines as part of a larger beverage portfolio in the retail and hospitality sectors.

Successful candidates will be able to know the key stages in grape growing and winemaking, list the principal types and styles of wine, state the key characteristics of wines made from the principal grape varieties as well as other examples of wines, and know the key principles involved in the storage and service of wine. They will consequently be in a position to answer customer queries and provide recommendations for the service of wine.

## Qualification Structure

### Learning Outcomes

In order to meet the qualification aims there are three learning outcomes.

<b>Learning Outcome 1</b>	Know the key stages in grape growing and winemaking.
<b>Learning Outcome 2</b>	Know the types, characteristics and styles of wines made from the principal grape varieties and other examples of wines.
<b>Learning Outcome 3</b>	Know the key principles and practices involved in the storage and service of wine.

## Enrolment

There are no restrictions on entry to the WSET Level 1 Award in Wines. Candidates who are under the legal minimum age for the retail purchase of alcoholic beverages in the country where the examination is being held, or those who choose not to taste alcohol for health or religious reasons, will not be allowed to sample any alcoholic beverage as part of their course, but this is not a barrier to successfully completing the qualification.

## Total Qualification Time (TQT) and Guided Learning Hours (GLH)

TQT is an estimate of the total amount of time, measured in hours that a learner would reasonably need to be able to show the level of achievement necessary for the award of a qualification, it is made up of GLH and private study time. GLH include all tutor-supervised learning and supervised assessments.

The TQT for the Level 1 Award in Wines is 6 hours, all as GLH. This includes the 45 minutes for the examination.

## Recommended Progression Routes

The WSET Level 1 Award in Wines, or an equivalent level of experience, is recommended for entry to the WSET Level 2 Award in Wines and Spirits.
